Bournstream is a unique, outdoor adventure playground - run by a charitable trust for over 30 years - set in a beautiful, hidden valley.

It has grown into what many parents and carers call 'an oasis', with a wide range of play equipment - from giant sandpits, swings and playhouses to football pitch, water play area and wildlife hide. There is also shade and shelter in picnic areas with tables and benches.

Bournstream is for disabled children and young people, their families, friends, carers, special schools, support and short break groups. The play site is not staffed. It blossoms with the commitment of volunteers and generous community support.
